

Sam Burnage

1.9 Division Chemical and Optical Sensing
Federal Institute for Materials Research and Testing (BAM)
12489 Berlin
Germany

Tel: + 49 30 8104-5815

E-mail: Samual-Charles.Burnage@bam.de

Nationality: British (English) European? ☺

Current Position: PhD student at Federal Institute for Materials Research and Testing - Bundesanstalt für Materialforschung und -prüfung (BAM)

Education:

2016 – 2017 Master of Chemistry (MChem), School of Chemistry, Leeds, UK
(*Application of MIP to Solid Phase Extraction for Analysis of Flubendazole in Environmental Samples*)

2013 – 2016 Bachelor of Science (B.Sc), School of Chemistry, Leeds, UK

Work Experience:

September 2015 – August 2016. Intern, Sealed Air Diversey, Utrecht, The Netherlands.
(*HPLC Method Development, Batch Analysis, QA and Formulation*)

Research Interest: Analytical Chemistry, Separation Chemistry, Materials Chemistry and Electrochemistry.

Hobbies: Travelling the World, history, politics, reading, playing games and going to the pub ☺!
